Dear Doctor Naranjo :

The congress is approaching day by day.
Because Dr. Y. Kimura attended at the I.A.A. Congress
in Paris, New York, Madrid, Montreal and Florence, and
he is engaging in hard businesses of the Tokyo Congress,
as you know, I would like, therefore, to ask for your
reconsideration to nominate him for some position of the
executive member for the next congress.
Looking forward to seeing you in Tokyo again, I remain,

Cordially yours,

Tiuzi SINDO, M.D.
