Many thanks for your very informative letter of July 20th. I agree that the office of President elect is most important and the position of 1st Vice President next in importance. The reason for this latter statement is that four years hence (1976), Dr. Sindo will be along in years and may not be well enough to carry on the important functions of the President. Hence, for 1st Vice President, I should like to recommend:

- (1) Dr. E. Mathov of Argentina, or
- (2) Dr. Brum Negreiros of Brazil, or
- (3) Dr. Ernest Mendez of Brazil.

For President-elect I would suggest:

- (1) Dr. Jack Pepys of England, or
- (2) Dr. A.W. Frankland of England.

For Secretary-General, I would suggest:

- (1) Dr. Lowell Henderson (Rochester, Minnesota).

For Treasurer, I would suggest:

- (1) Dr. Samuel O. Freedman (Montreal, Canada).

For the Executive Committee:

- (1) Dr. Oshima (Japan),
- (2) Dr. Pierre Girard (Switzerland),
- (3) Dr. ~~Frick~~ (U.S.A.), *Hieber*
- (4) Dr. Glaser (Israel), and
- (5) Dr. Kollidahl (Sweden).

I hope this information will be helpful to your committee. My best regards to your lovely señora.

Cordially yours,

Carl

I hasten to make a change in my suggestions for your nominating committee. After discussion with Dr. Samter, there seemed to be a need for more representation on the Executive Committee from the American College of Allergists. I would therefore suggest that Dr. Heiber replace Dr. Frick as a nominee for the Executive Committee.

I trust all will go well for you and your committee. Kindest regards.

Cordially yours,

Cal.
