Dear Senor Castex

We would like to confirm our cable dated 23 September 1976 informing you that we are sending you a copy in Spanish of Senor Naranjo paper for the Ninth International Congress of Allergology shortly to be held in your City.

Senor Naranjo has asked us at rather short notice to prepare this translation for him and we are quite happy to do this. However, it is likely to take at least 3 weeks before we can get the translation to you in Buenos Aires and we are therefore sending you a copy immediately in Spanish in case you wish to obtain a translation more quickly in Buenos Aires.

We have written separately to Dr Naranjo in Ecuador informing him of exactly what we are doing and are hopeful that the English version will be available in time for the beginning of the congress.

Yours sincerely
